

INVESTING IN APAC: NEW ASIA-PACIFIC FOREIGN DIRECT INVESTMENT GUIDE

Melville Erdenedalai LLP as the Mongolian associated partner of Hogan Lovells International LLP, recently launched a multijurisdictional FDI Guide across nine APAC jurisdictions including: Australia, India, Indonesia, Japan, **Mongolia**, People's Republic of China (Hong Kong and Mainland China), Singapore and Vietnam.

The increasing number and complexity of FDI regimes in APAC requires careful navigation when planning and executing global M&A transactions, as well as greenfield cross-border investments. So, we've built an interactive, free online tool that simplifies this process for investors so that they can remain updated on the ever-changing world of FDI regimes. A summary table of key features and detailed Q&A provide a road map to navigate FDI across these APAC jurisdictions.
